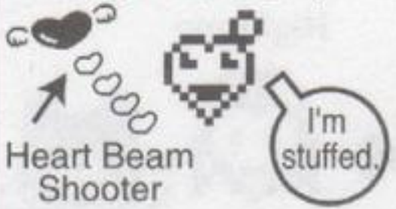
HEARTUNE'S HOME!

HOW TO TAKE CARE HEARTUNE

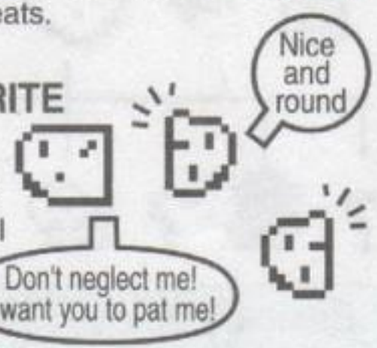
FEED HEARTUNE



Heart Beam Shooter

Because HEARTUNE is an unique creature, it doesn't eat any food. The special beam, called "heart beam" is the only thing HEARTUNE eats.

HEARTUNE'S FAVORITE



HEARTUNE likes to be "touched". If you want to make it happy, touch it and pat it until it is nice and soft. To do so, choose "touch" mode.

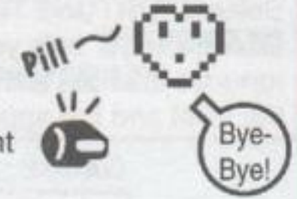
CLEANLY HEARTUNE

HEARTUNE is a very cleanly creature. It wants the house to be very neat and tidy. Choose "clean up" mode to clean the house. It makes HEARTUNE very happy that it might do something to please you.

MOODY HEARTUNE

You can tell how HEARTUNE is feeling by its movement. When HEARTUNE is very contended. It bounces actively. But once HEARTUNE feels bored, it becomes gloomy very quickly.

WHIMSICAL HEARTUNE



Lost HEARTUNE? Don't panic. Calm down. Whistle for HEARTUNE. But if you leave HEARTUNE alone too long, it might decide not to come back for you.

HEARTUNE'S SPECIALITY

HEARTUNE is a natural "fortune telling creature". It can tell your fortune. More details on the next page.

CONDITION OF HEARTUNE

Choose "gauge" mode to check HEARTUNE'S "energy", "friendliness" and "level". The closer it reaches to the right to the right end, the better condition HEARTUNE is in.

TELL ME ? HEARTUNE

When HEARTUNE grows up, it can tell your fortune once a day. The higher lever HEARTUNE becomes, the more fortune it can tell!

FORTUNE TELLING

Select "Fortune Telling" mode, and press " ▶▶ " button or " ◀◀ " button to choose " The best color for today". Press "**OK**" button to confirm.

★ LUCKY COLOR FOR TODAY

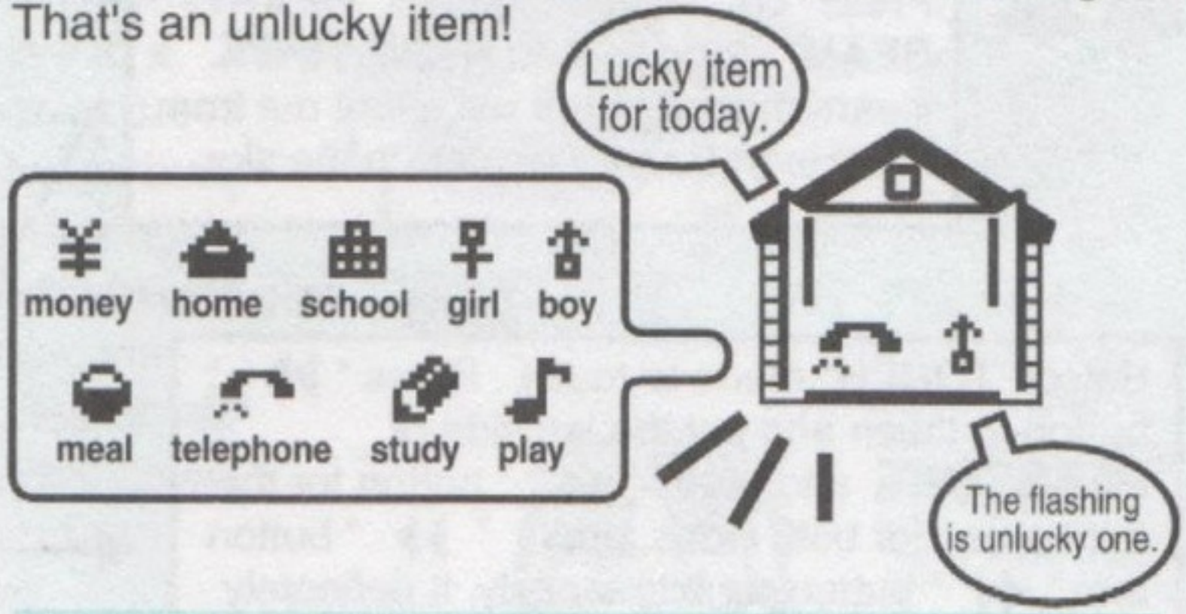
HEARTUNE can tell you one fortunate color for today. Try to have your clothes, your shoes, or even something special in that color.

★ LUCKY NUMBER FOR TODAY

The luckiest number for today! Refer to the number when you make an appointment, when you make telephone calls, or so on.

★ LUCKY ROULETTE

HEARTUNE can tell you one favorable item out of nine below. Be alart with the item which is flashing. That's an unlucky item!



★ FORTUNE TELLING FOR TOMORROW

As HEARTUNE level becomes higher, it can tell you not only today's fortune but also tomorrow's.

WARNING!

If unfortunately your HEARTUNE turns into a devil, it can **NO LONGER** tell your fortune. **TOO BAD!**
